

EVALUATOR FOR ORGANIC PRODUCTION STANDARDS

As an internationally active group of control bodies, Easy-cert group AG offers companies certification services according to a wide range of national and international standards for organic farming and processing of organic food, eco-textiles, as well as various sustainability standards. You can find more information on our website: www.easy-cert-group.com. For our company Bio Garantie d.o.o. in Croatia, we are looking for a full-time employee (m/f, 40 hours per week) for the position of Evaluator for Organic Standards.

Tasks and Responsibilities

- Evaluation and assessment of inspections conducted in accordance with public and private organic production standards;
- Review and approval of corrective actions;
- Proposing and preparing certification decisions;
- Communication of audit results with auditors or clients;
- Providing feedback to auditors regarding audit performance;
- Timely completion of tasks in the company's IT system;
- Communication with office colleagues according to assigned countries.

What We Expect

- Minimum Bachelor's degree (post-secondary education) in agriculture – plant science, crop and soil science; food science, food technology, or a related field;
- At least one year of professional experience in the agricultural or food sector after completing higher education;
- Basic knowledge of crop production with a focus on organic farming;
- Experience in auditing and certification is an advantage, but not mandatory;
- Good knowledge of MS Office and confident use of new media;
- Very good command of English;
- High level of commitment and initiative;
- Responsibility and ability to work in a team;
- Interest in the sustainability industry and organic production.

We Offer

- Work in an international environment where every individual is valued for their contribution to our multicultural organization and cooperation with auditors from all over the world;
- Competitive remuneration according to experience;
- Responsible and independent work in the sustainability sector;
- A dedicated and motivated team;
- Thorough training in the challenging field of auditing and certification;
- A dynamic IT environment;
- Flexible working hours and the possibility of working from home;
- Employment with one of the most relevant groups of control bodies in Europe and worldwide.

Please send us your application (cover letter and CV) by email in English by March 20, 2026 to: marija.savora@ceres-cert.de
