As an internationally active group of certification bodies, Easy-cert group AG offers companies certification services for a wide range of national and international standards for organic farming and processing of organic food, eco-textiles, as well as various sustainability standards. More information can be found on our website at www.easy-cert-group.com.

For our company Bio Garantie d.o.o. in Croatia, we are looking for a full-time (40 hours per week) individual for the position of **Evaluator for Organic Standards**.

Tasks and responsibilities

- Evaluation and assessment of inspections conducted in accordance with public and private organic production standards;
- Verification and approval of corrective actions;
- Proposing and preparing certification decisions;
- Communicating audit results with auditors or clients;
- Providing feedback to auditors on audit performance;
- Timely execution of obligations in the company's IT system;
- Communication with colleagues from the office regarding assigned countries.

Employee

- A minimum of a Bachelor's degree (after secondary education) in agriculture - plant science, crop and soil science, food science, food technology, or a related field;
- At least one year of work experience in the agricultural or food sector after completing higher education;
- Basic knowledge of crop cultivation with an emphasis on organic production;
- Experience in conducting audits and certification is an advantage, but not required;
- Good knowledge of MS Office and proficient use of new media;
- Proficient in English;
- High level of commitment and initiative;
- Responsibility, teamwork skills, and interaction based on respect and trust;
- Interest in the sustainability and organic production industry.

Employer

- Work in an international environment where every individual is valued for their contribution to our multicultural society and collaboration with auditors from all over the world;
- Competitive compensation based on experience;
- Responsible, independent work in the sustainability sector;
- Dedicated and motivated team
- Comprehensive training in the challenging field of auditing and certification;
- Dynamic IT environment;
- Flexible working hours and the possibility to work from home;
- Work for one of the most relevant groups of certification bodies in Europe and the world.

Please send your application (cover letter and cv) via email in English by 15.02.2025 to petra.jurinic@ceres-cert.de
