A. Plant production

A.1. Plant production journal

national farm number:_____

Page: _____ /_____
YEAR

Please record here all measures and treatments chronological which are taking place on your surfaces.
If you have the same working step on more plots with are cultivated with the same culture, it is enough to write in one line and write the relevant plot numbers in the provided column. In the column „Quantity“ has to be added for e. g. seeds-, fertilizer or plant productions quantities.
Take care about the info sheet „Records plant production“!

Date	Plot number.	Maybe plot name	Culture	Measure, treatment	Sort with status, type of fertilizer, treatments, …	Quantity (unit/ha)
27.03.14	7,11	Hanfacker, Riegelacker	W-Weizen	Anbau	Capo-bio	180 kg/ha
20.06.14	3, 5, 21	----	Kartoffel	Kartoffelkäferspritzung	Novodor FC	3 l/ha
